Build A Bigger Life at Work

It has been proven that on a daily basis, we have only so much emotional, mental and physical energy. Become drained in the middle of the day and your afternoon prospects, your fellow commuters, and your family will no doubt experience you differently. However, if you see yourself as the Architect of a day that keeps you at a Level 10, you'll begin to make small but significant changes daily. It is said that those who desire an uncommonly BIGGER life, must come to the realization that they must approach life in an intentionally BIG way. This highly interactive and fun session will have you making intentional plans for your morning, your productive hours, and your family time that will help you build a bigger life. You'll take away tactics, strategies, and a mindset for living the life that makes you and those around you better.

Level 10 Leadership

Have you ever noticed that the best leaders bring a level of energy, enthusiasm and attitude to nearly everything they do? Great leadership, as it turns out, is more about self-leadership than anything. During this highly interactive presentation, Adam shares the 4 not-so-obvious things you can do daily to make sure you are not only living at a Level 10, but inspiring others to do exactly the same. You'll walk away with concrete tactics and strategies that are immediately implementable and create massive impact to your teams, your direct reports, and your organization as a whole.

Getting What You *Really* Want - Leveraging The Law of Attraction

One of the greatest laws in the world is the law of attraction and it's continually in effect. Dubbed greater than the law of gravity, this unseen force is constantly changing the very fabric of your life, often simply through your thoughts. Learn what to focus on, how to focus on it, and why it's so critical that you put your attention on what you most want and not what you don't!

Networking Power

There is a currency in the world that is more valuable than gold or silver, more widely traded than commodities, and accessible to virtually anyone, anywhere at anytime. Social capital is the new currency that, when used properly, can launch businesses, land dream jobs, fund projects and open more doors than you can possibly imagine. You'll take away the tools and resources you should be using to leverage social capital to you and your network's greatest benefit!

TESTIMONIALS

Adam's passion, enthusiasm and expertise on all things related to financial well-being, motivate individuals to connect to their greater sense of purpose. Thanks to Adam and his work, our foundation has been able to reach countless individuals and families in their pursuit of financial well-being.
